Dear Dan:

Please excuse the long delay in getting this to you. Enclosed is a laminated article that I thought you might like to have, of an item which appeared in the November 9, 2004 issue of *The Enterprise*.

It is a nice article and collection of photos of you and your band-mates together in both the 1960's and performing recently at the Westgate Pub. In this day and age, when the media seems focused on the negative aspects of society, it is refreshing to see a piece like this in our local newspaper.

Over the last decade, the Cavaliers have emerged as an icon of the Brockton musical community. From the Red, White & Black ball to numerous clubs throughout the city, the sound that you crafted over forty years ago continues to resonate with area fans.

Be assured of my warmest wishes for the continued blessings of good health for you and your family.

All the best!

Sincerely,

A handwritten signature in blue ink that reads "Tom Kennedy".
